

Disability Support Professional

“ESI understands that life happens; you can’t plan when someone gets sick or if there is a family emergency. When I have to unexpectedly take a personal day, I’m always told to not worry which makes taking care of unexpected situations a lot less stressful.” Jamie – program assistant with ESI for 3 years

ESI offers:

- Competitive hourly pay
- NO nights or weekends
- Paid ongoing training
- Paid time off starting at 60 days
- Significant 401K employer match

Essential Duties and Responsibilities:

- You will be assisting clients in daily activities in-house and in the community
- You will help clients work on their goals and be a positive role model
- You will teach clients how to advocate for what they want and how problem solve
- You will provide dignity and respect while maintaining confidentiality and discretion
- You will work positively with a supportive team
- You will use the ESI van or bus to help clients get to community activities

A successful hire will need:

- to complete a DOJ background check
- pass pre-employment drug screen
- a current, valid WI driver’s license.
