

Bus Driver

We are seeking a dependable driver to operate one of our minivans or small buses, responsible for transporting adults with disabilities to ESI and back home daily. This opportunity is ideal for individuals seeking to earn additional income while positively making a difference in someone's life. We have a variety of routes to cover, and they can range from 10-30 miles. Our routes run in the morning 7:30-9:00 and in the afternoon 2:45-4:15 Monday-Friday. You can mix and match the schedule to fit your needs and the number of hours you wish to work. The ideal candidate will have a positive attitude and enjoy working with people who will share a smile with them every day! Paid training is hands-on and provided by ESI. No specific driving experience is needed. No CDL required.

Responsibilities

- Operate a variety of vehicles including mini-vans and small buses
- Safely transport passengers to and from their destinations
- Maintain the cleanliness and organization of the vehicles
- Perform routine pre-trip inspections
- Use dignity and respect when transporting passengers
- Communicate effectively with passengers and ESI team members
- Adhere to traffic laws and regulations, as well as company safety policies
- Operate vehicles in a variety of weather conditions, including rain, snow, and extreme temperatures
- Collaborate with other drivers and management to ensure the smooth operation of the fleet

This role requires a driver who wants to make a difference and earn some extra income while providing an essential service to the people we serve. ESI is a dedicated and supportive team environment.
